AMESim Rev 7 Launch Breakfast Event

IMAGINE is pleased to invite all members of the AMESim community to an information breakfast dedicated to the new AMESim Rev 7 release.

This breakfast will be held in **Paris** on **June 5th, 2007**.

Who Should Attend?

- Managers and executives who want to understand the **LMS / Imagine** synergy and added-value.
- AMESim users who want to have a quick and global overview of this new AMESim release, get details on the AMESim Rev 7 QuickStart training, its contents and how it will help you to do your daily work more easily.

Why attend?

- To get the latest information on AMESim strategy & developments.
- Gain technical insights and application examples.
- Understand how the update training course created by IMAGINE can bring you gains in productivity.
- Meet people and enhance your network.

What will you learn?

- Why LMS and IMAGINE complementary solutions will provide tremendous benefits to our mutual customers and partners,
- Which new features will be shipped with AMESim Rev 7 and discover the most valuable enhancements. Among others, you will see:
  - The new Graphical User Interface,
  - AMEDesk, an environment for collaborative work and data management,
  - New powerful tools: Lock-up table editor, 3D animation…
  - New features: Co-simulation facilities, Modelica import or Python scripting

  - What our new enhanced solutions are:
  - Vehicle System Dynamics,
  - Vehicle Thermal Management,
  - Environmental Control System,
  - Fuel Cells
